

Stäger - setting standards

Packaging without Limits

We have the experience, equipment and creativity needed to help our clients with all their packaging needs, now and in the future

Trusted Partner

Our people are an integral part of our client's team – trusted, dependable and helping them to achieve their goals

International Perspective, Swiss Roots

- We have a perfect combination of Swiss reliability & quality with an international perspective & experience
- 3 production locations allow customized, reliable service

Adaptable

- We easily adapt to changing needs
- We design to minimize use of material
- We reuse waste & use recycled material
- Our products are recyclable
- We seek usable alternative materials
- We retain a «seat at the table» as a contributor and influencer

160 years of providing of high-quality, customer oriented service
